- 10** Student feedback mechanism on Institutional Governance faculty performance : Feedback from students on over all institutional governance and faculty performance has taken once in a Semester. In addition student feedback on individual faculties for their performance in classrooms and laboratories also obtained and analyzed, from time to time.
- 11** Grievance redressal mechanism for faculty, staff and Students : In normal situation respective heads of departments can make their own arrangements to redress grievances of faculty, staff and student under their own department. Students will also be allowed to air their grievances through student council on extremely sensitive and important matters.
